

how to make your own CICRAmas decorations

what you'll need

- colour printer
- sheets of white A4 paper or thin card
- hole punch or stapler
- string
- pritt stick or similar adhesive

instructions

1. print the bake sale 2d bauble sheet. Each A4 sheet of paper has six different designs, so print as many as you need
2. cut out the six circles
3. make a hole in each circle and thread the string through.
4. tie up your CICRA bauble
5. if you want to make them double sided, stick two baubles together using pritt stick
