

how to make your own CICRA bunting

what you'll need

- colour printer
- sheets of white A4 paper or thin card
- hole punch or stapler
- string

instructions

1. print the bunting template. Each A4 sheet of paper makes 4 bunting triangles, so print as many as you need
2. for bigger size bunting, use A3 size paper and select scale to paper size when printing
3. cut out the bunting triangles
4. make two holes in each triangle and thread the string through all of the triangles
or
staple the string to the top of each triangle.
5. tie up your string of bunting
