Cake sale

Use your imagination and bake up some ghoulish delights!

Ask family, friends & colleagues to donate to taste your bakes.

Halloween sweets in the jar

Purchase a few bags of Halloween themed sweets and fill a jar with them. Then ask for a donation for people to guess how many sweets are in the jar. The closest guess wins the jar of sweets!

Pumpkin Competition

Carve and decorate pumpkins in your school, work place or with neighbours, ask for donations to vote for the best or have a guess the weight competition.

Contact fundraising@cicra.org for advice and support with your event

better lives for children with crohns and colitis

CICRA is the operating name of Crohns in Childhood Research Association, a registered charity in England & Wales, number 278212 and Scotland, number SC040700
